Subject: Migration of tsunami.gov Website to a New Server Platform on or
about February 10, 2025

The NWS National Tsunami Warning Center (NTWC) will be performing the
full migration of the webpage content on <https://tsunami.gov/> to a new
server platform on or about Monday, February 10, 2025.

This migration is anticipated to be completed within a minimal time
period. However, users may experience a brief outage, not anticipated to
exceed one hour, during the migration. There are no significant changes
to the website content or services provided. No changes are required by
users, and official messages from NTWC on other systems and networks will
not be affected.
