Other NWS partners and NWS employees

From: James E. Hoke
Director Hydrometeorological Prediction Center

Subject: Amended: Extending the Comments Period Until
November 30, 2012, on the Experimental Quantitative
Precipitation Forecasts for Puerto Rico and
the U.S. Virgin Islands

NWS has extended the comment period until November 30, 2012, for HPC experimental Quantitative Precipitation Forecasts (QPF) for Puerto Rico and the U.S. Virgin Islands. HPC is preparing QPFs at 6 hour intervals through 48 hours once per day. The forecasts are available by 1400 UTC daily. These experimental products will be available in graphic for on the HPC website and in GRIB2 format via ftp.

The products are available online at:

http://www.hpc.ncep.noaa.gov/qpf/puerto_rico_qpf.php

Please submit comments to the following link.
