Subject: Extending Comment Period for the Experimental Probability of
Exceedance Forecast for Precipitation and Snowfall Product through August
31, 2014

The comment period for the Experimental Probability of Exceedance Forecast
for Precipitation and Snowfall product has been extended to August 21,
2014. This product is currently available in the Hourly Weather Graph of
the NWS Multi-Format Forecast Information Webpage for Central Region
Weather Forecast Offices. The Product Description Document (PDD) is
online at:

[http://products.weather.gov/PDD/PDD Experimental Probability of Exceedance
-Extension-2%20\(4\).pdf](http://products.weather.gov/PDD/PDD%20Experimental%20Probability%20of%20Exceedance%20Extension-2%20(4).pdf)

Please submit comments to:

<http://www.weather.gov/survey/nws-survey.php?code=pefps>

At the end of the comment period, the NWS will review comments and
evaluate them to determine whether to implement this product nationwide.

For comments or questions, please contact:
