Public Information Notice 17-xx, Comment Requested  
National Weather Service Headquarters Silver Spring  
xxxx PM EDT Wed Dec 20 2017

To:           Subscribers:  
              -NOAA Weather Wire Service  
              -Emergency Manager's Weather Information Network  
              -NOAAPORT  
              Other NWS partners and NWS employees

From:         Michelle Mainelli  
              Acting Director, Office of Dissemination

Subject:      Soliciting Comments on Proposed Discontinuation of  
              High Seas and Storm Warning over NIST Time Frequency  
              Broadcasts through January 20, 2018

Beginning Wednesday, December 20, 2017, and continuing through  
January 20, 2018, NWS seeks public comment on use of National  
Institute of Standards and Technology (NIST) Time Frequency  
Radio Broadcasts of High Seas and Storm warnings.

NIST Broadcast information is available at  
<https://www.nist.gov/pml/time-and-frequency-division/radio-stations/wwv>  
and  
<https://www.nist.gov/pml/time-and-frequency-division/radio-stations/wwvh>

Please submit comments or questions to:  
[NWWS.Issue@noaa.gov](mailto:NWWS.Issue@noaa.gov)

with "NIST Marine Warnings" in the Subject line.

Upon the completion of this comment period, NWS will evaluate  
all comments to determine whether to proceed with  
discontinuation of the High Seas and Storm Warnings.

National Public information Notices are online at:  
<http://www.weather.gov/os/notif.htm>
