Corrected to Change the heading in Table 1 from County  
Identifier to Location Identifier

Effective Wednesday, January 12, 2011, at 0800 AM Mountain  
Standard Time (MST), 1500 Coordinated Universal Time (UTC),  
hydrologic service responsibility for river forecast locations  
along the Bear River in Bear Lake and Franklin Counties, ID,

service. See Table 1 for details on the river forecast points to
