Subject: Change in Synopsis Name in Coastal Waters Forecast (CWF) for WFO Los Angeles/Oxnard: Effective April 5, 2011

Effective Tuesday, April 5, 2011, at 1100 pm Pacific Daylight Time (PDT) or 1800 Coordinated Universal Time (UTC), the NWS Weather Forecast Office (WFO) in Los Angeles/Oxnard, CA, will change the name of its synopsis in its Coastal Waters Forecast (CWF) from "Synopsis for Southern California Coast and Santa Barbara Channel including the Channel Islands National Marine Sanctuary" to "Synopsis for Southern California Coast and Santa Barbara Channel including the Channel Islands National Marine Sanctuary and National Park."

The NWS is changing the name of this synopsis to better describe the Channel Islands National Marine Sanctuary and Channel Islands National Park.

Current marine synopsis name and corresponding Universal Geographic Code (UGC) used by WFO Los Angeles/Oxnard:

Current Marine Synopsis Name  Current UGC
------------------------------------------
Synopsis for Southern California Coast  PZZ600
and Santa Barbara Channel including the
Channel Islands National Marine Sanctuary

New marine synopsis name that will be used by WFO Los Angeles/Oxnard effective April 5, 2011. Note the UGC for the synopsis will not change.
New Marine Synopsis Name .............................................. UGC
Synopsis for Southern California Coast .................... PZZ600
and Santa Barbara Channel including the
Channel Islands National Marine Sanctuary
and National Park

WFO Los Angeles product affected by the marine synopsis name
change effective April 5, 2011:
