Subject: Termination of Aviation Weather Observations from WSO
Koror, Republic of Palau: Effective July 31, 2018

Effective July 31 2018, at midnight Palau Local Time (1 August
2018 at 1500 Coordinated Universal Time (UTC)), the Weather
Service Office (WSO) at Koror, Palau, will terminate aviation
weather observations.

This action is caused by the relocation of the WSO to Babelthuap
International Airport, which has an existing aviation
observation in operation. The International Civil Aviation
Organization (ICAO) identifier (ID) of the site being closed is
PTKR. The ICAO ID of the airport observations is PTRO.
