SUBJECT: Termination of Aviation Weather Observations from WSO Koror, Republic of Palau Effective July 31, 2018

Effective July 31 2018, at midnight Palau Local Time (1 August 2018 at 1500 Coordinated Universal Time (UTC)), the Weather Service Office (WSO) at Koror, Palau will terminate aviation weather observations.

This action is caused by the relocation of the WSO to Babelthuap International Airport, which has an existing aviation observation in operation. The International Civil Aviation Organization (ICAO) identifier of the site being closed is PTKR. The ICAO identifier of the airport observations is PTRO.
