 Other NWS Partners and Employees

FROM: Mark B. Miller
 Chief, Program Management Branch
 Surface and Upper Air Division
 Office of Observations

SUBJECT: Aircraft Observations over South America Added:
Effective on November 2, 2016

Effective on November 2, 2016, the National Centers for
Environmental Prediction (NCEP) began transmitting a new message
bulletin under the World Meteorological Organization (WMO)
Header:

IUAI01 SCSC

The bulletin contains aircraft-based reports over and near the
South American continent and will be issued on a recurring basis
multiple times each day.

For additional information on aircraft observations, see:

http://madis.noaa.gov/madis_acars.shtml

or

https://www.wmo.int/pages/prog/www/GOS/ABO/data/ABO_Data_Access.html

For additional information on decoding BUFR messages, see:

<http://www.nco.ncep.noaa.gov/sib/decoders/BUFRLIB/>

If you have questions or feedback, please contact:

Curtis Marshall
