

Freeze Watch Wednesday Night/Thursday Morning

- Look for spotty showers tonight as a cold front sweeps across Middle Tennessee.
- Temperatures will turn sharply colder by morning. Expect breezy conditions tonight and tomorrow.
- There is a Freeze Watch in effect late Wednesday night & Thursday morning mainly east of I-65.
- A few spots may also experience frost Friday morning.
- There is a better chance of rain Friday night and Saturday.
- Temperatures will gradually warm up through the weekend.
- No severe storms are forecast for the next 7 days.
