

Strong Winds Expected Monday

New York, NY
WEATHER FORECAST OFFICE

OVERVIEW

A strong cold front will cross the region this evening with an isolated thunderstorm possible and gusty winds in its wake. Strong winds are expected across the entire local Tri-State area on Monday.

HAZARDS & IMPACTS

- **Strong cold frontal passage:** A broken line of showers and possible embedded thunderstorms accompany the frontal passage this evening. A brief period of 40 to 50 mph wind gusts are likely immediately in its wake.
- **Strong Winds:** 20 to 35 mph with gusts 40 to 55 mph expected Monday. Scattered trees and power lines could be downed. Unsecured outdoor objects could be damaged.
