	15	0940CST 1800CST			0	0	100.5K		High Wind (G50)

Northwest winds between 35 and 45 mph with gusts near 60 mph developed across western Oklahoma from mid-morning through the afternoon of the 15th. Winds were in response to intense low pressure near the Kansas/Oklahoma border. Lesser wind speeds spread eastward into the remainder of central and southeast Oklahoma during the afternoon, with speeds averaging 30 mph and gusts near 50 mph. Regarding damage, a portion of the roof was blown off at Lakeside Theater in Woodward in Woodward County, and trees were downed across Ellis County. Six to seven cars were also blown off the road near Laverne in Harper County.

<b>Murray County</b>									
4 W Davis	23	1924CST			0	0			Hail (0.88)
