

# Become a Young Meteorologist!

## Assignment:

1. Play each module of the Plan!t Now Young Meteorologist Program game.
2. Print out your Young Meteorologist certificate at the end of the game and hand it in to your instructor.
3. Answer the questions at the bottom of the worksheet.

## Access the game at:

[www.youngmeteorologist.org](http://www.youngmeteorologist.org)

## Questions:

1. Where will you take cover from a tornado when you are home?
2. Where is the safest place to be during a flood?
3. Why is it dangerous to be outside with your skin exposed when it is cold and the wind is strong?
4. Name 3 items you would take with you if you were told to evacuate your home because of a hurricane.
5. How long do you wait to go inside once you see lightning or hear thunder?
6. In your opinion, what is the most dangerous kind of weather? Why?
