COMMON BLOCK NAME: OPTTS

Purpose

Contains the locations within the D array of the simulated and observed time series, as well as the time series intervals.

Listing

COMMON/OPTTS/LDDS, LDDO, IDTOS

Size

3 words

Variable Descriptions

Variable	Type	Dimension	Word Position	Description
LDDS	I*4	1	1	Location in D array of simulated time series
LDDO	I*4	1	2	Location in D array of observed time series
IDTOS	I*4	1	3	Time interval of simulated and observed time series
