

IX.7.1A INTRODUCTION TO THE FLASH FLOOD GUIDANCE SYSTEM (FFG) PROGRAM
FFGUID SOURCE CODE DESCRIPTION

This Section describes the source code for the Flash Flood Guidance System (FFGS) program FFGUID.

Section IX.7.1B [[Hyperlink](#)] describes the subroutines.

Section IX.7.1C [[Hyperlink](#)] describes the common blocks.

Additional FFGS source code used by program FFGUID is described in Sections Shared (Section IX.7.3 [[Hyperlink](#)]), Utility (Section IX.7.4 [[Hyperlink](#)]) and Data Base Access (Section IX.7.5 [[Hyperlink](#)]).
