

## Programming Your NOAA Weather Radio

The National Weather Service does **NOT** manufacture any brand of weather radio receiver. To get assistance programming your receiver, or to discuss problems, you may be experiencing with its operation, please contact the receiver's manufacturer. Below is a list of many NWR manufacturers. If your radio's manufacturer is not listed, please refer to your User/Owner's Manual for contact information.

Weather Radio Receivers for Consumers		
Manufacturers		
Note that manufacturers of Public Alert™ certified receivers may also produce other models which are not certified. Visit their web sites to view specifications and owner's manuals to compare features.
