---------------------------------	----	--------------------	---	---	-----	-------------

A severe thunderstorm tracked east across McCracken County, producing a swath of large hail from Barkley Regional Airport to downtown Paducah. At the National Weather Service office at Barkley Airport, dime to quarter size hail nearly covered the ground. Hail nearly the size of golf balls fell in the vicinity of the junction of Interstate 24 and U.S. Highway 60. A restaurant reported hail broke small holes in a drive-through menu board, as well as breaking neon lights around the building. Insurance companies reported about 25 claims for hail damage, mostly in the retail and restaurant area off Interstate 24. Most of the claims were for dings on vehicle roofs and hoods.
