

# Severe Thunderstorm Outlook

Friday, April 19th

When Thunder Roars, Go Indoors!

Threat Level 1 out of 5  
**Marginal Risk**

- Pre-frontal scattered storms will be possible Friday afternoon and evening, a few of which may become strong to severe.
- The primary threat with any stronger storms would be damaging winds and large hail.

### What does a **Marginal Risk** Mean?

Isolated severe thunderstorms possible.  
Limited in duration and/or coverage and/or intensity.
