

# Person County Department of Emergency Services

---

Person County Emergency Management Division is hosting 2 severe weather seminars this month. Each seminar is FREE to the public and will be held at the Person County Government Building on 304 S. Morgan St in Roxboro in Room 166. Pre-registration is preferred **Bring your family and friends.**

Speakers from the National Weather Service and Emergency Management will speak on severe weather awareness.

## **Basic SKYWARN Spotter Class for General Public**

7:00 PM, Thursday, April 12, 2018

Learn more about thunderstorms, tornadoes, lightning, hail, flooding, and flash flooding. How and when the Weather Service sends out notifications.

## **Emergency Planning for severe weather and disasters for Person County Businesses and Industries**

2:00 PM, Thursday, April 12, 2018

Small businesses, corporations, retail stores, industries, day care centers, and Schools. All of these have one thing in common - they are equally susceptible to severe weather and other emergency situations. If your business is faced with severe weather or an emergency, you need to be ready.

*For more information  
and to register for all  
seminars, call the  
Person County  
Department of  
Emergency Services at  
(336) 599-3136*
