

(540) 553-8900

The National Weather Service in Blacksburg, VA is completing the installation of a new telephone system. As part of this new equipment, we are required to change our phone number. For the longest time, our public phone number has been (540) 552-0084. After February 11, 2021, this old number will no longer reach our office. Our new number is/will be **(540) 553-8900**. Please take action now to adjust your contact lists.
