

Severe Weather Preparedness 101 Webinar Registration

Join us as we discuss NWS severe weather forecast products, forecasting approaches, science, sending reports, and how to prepare for the upcoming Spring season.

Two Webinars will be offered! Click on the dates below to register!

[Tuesday March 30th 6:30 PM](#)

&

[Tuesday April 6th 6:30 PM](#)

Note: These webinars may be postponed on short notice due to active weather. We will communicate these changes via this website and our social media channels.

Cannot make these dates? Recording will be available on YouTube.
