

2024 Virtual Storm Spotter Classes

Join us virtually as we discuss NWS severe weather forecast products, forecasting approaches, science, sending reports, and how to prepare for the upcoming Spring season!

Click on a date below to register!

[Monday, March, 18 2024 → 7:00 - 8:00 PM](#)

[Thursday, April 11, 2024 → 7:00 - 8:00 PM](#)

Note: These webinars may be postponed on short notice due to active weather. We will communicate these changes via this website and our social media channels.
