Pressure Standards Laboratory (PSL) Barometer Transfer Form

The respective NWS office listed below requests to transfer their barometer to the custodianship of the PSL. This barometer will be used in the PSL barometer calibration exchange program in support of the NWS ASOS and Upper Air Observations programs. This form confirms that the Property Custodian (PC) of the PSL (Custodial Area 54200E121) and the respective NWS office have coordinated the transfer of ownership and accountability of the following barometer (if not please contact the PSL before initiating transfer in Sunflower):

	Barometer Information
Manufacturer	
Model	
CD Barcode Number	
Serial Number	
NWS Office Custodial Area No.	

Date : _____

NWS Office : _____

NWS Office Custodian (PC) : _____

Signature of NWS Office PC : _____

Please submit completed form to NWS.CAL@noaa.gov.
