

DEPARTMENT OF THE AIR FORCE
HEADQUARTERS UNITED STATES AIR FORCE
WASHINGTON DC

NOV 21 2017

MEMORANDUM FOR SEE DISTRIBUTION

FROM: HQ USAF/A3W
1490 Air Force Pentagon
Washington, DC 20330-1490

SUBJECT: National Weather Service StormReady® Recognitions at Air Force and Army Installations

Consistent with Air Force and Army responsibilities to respond to national emergencies and sustain wartime readiness, we requested the National Weather Service (NWS) consider all Air Force and Army organizations or installations as StormReady®. We reviewed the NWS StormReady® program and coordinated with emergency managers to confirm policies and procedures are in place to ensure military commanders meet the program guidelines. We have also updated our policies and procedures to ensure Air Force weather personnel disseminate relevant weather warnings and advisories documented in plans and agreements between Air Force weather entities and Air Force and Army installations/units.

Please disseminate this information Air Force and Army-wide. If you have any questions or concerns please contact Maj Donald McCaffery, HQ USAF/A3WP, donald.r.mccaffery.mil@mail.mil, DSN (312) 260-8085.

RALPH O. STOFFLER, SES, DAF
Director of Weather
Deputy Chief of Staff, Operations
Air Force Deputy to NOAA
