Please email a copy of your latest transcript and a resume.

Resume should include, but is not restricted to:

1. College Awards and Honors
2. Work/Volunteer Experiences
3. Organizations/Memberships, Extracurricular Activities
4. Research Experience
5. Computer Skills (i.e., GIS, computer programming, Word, Excel, PowerPoint, Linux)

Please answer the following questions (short-answer responses):

| | |
|---|--|
| <p>What are your career goals? Why would you be interested in volunteering for the Weather Service?</p> | |
| <p>Are there any aspects of weather that you're most interested in pursuing and/or learning about more? (i.e., severe, winter, aviation, fire, hydrology, climate). Explain why.</p> | |

Deadline for Application Submission: Dependent upon which semester you are interested in volunteering (please email Jenifer.Prieto@noaa.gov or Sarah.Teefey@noaa.gov for more information).
