Roads in rural Brooks County rep	orted under water due to 2 inches of rain in a	and hour and satura	ated soils.	
STARR COUNTY 2.0 E LA GL	ORIA [26.72, -98.49]			
	05/27/07 18:45 CST		0	Hail (1.75 in)
	05/27/07 18:45 CST		0	Source: Broadcast Media
Golf ball size hail was reported al	ong Highway 1017.			
BROOKS COUNTY ENCINO [2	6.93, -98.13]			
	05/27/07 20:07 CST		0	Heavy Rain

Four to five total inches of rain was reported.

Strong thunderstorms developed during the afternoon and evening hours of May 27 over Brooks and Starr Counties. The storms were responsible for producing large hail up to golf ball size, and flooding of rural roads.
